

Central Students Score Nationally

LOCKPORT - Four students at Lockport Central High School have been named semifinalists in the 1969-70 National Merit Scholarship Program. Principal Willard Prynn named Dawn R. Bretz, Pamela A. McCann, Sean A. Murray, and Marily A. Siebert as those selected.

The 15,000 semifinalists appointed are among the nation's most intellectually talented high school seniors. They will compete for about 1,000 Merit Scholarships to be awarded in 1970.

The semifinalists were the highest scorers in their states on the National Merit Schol-

arship Qualifying Test, which was given last February to some 750,000 students in 17,250 schools nationwide. They constitute less than one per cent of the graduating secondary school seniors in the United States.

Semifinalists become finalists by receiving the endorsement of their schools, substantiating their high test performance on a second examination, and providing information about their achievements and interests.

About 97 per cent of the semifinalists are expected to become finalists and each will be considered for one

of the 1,000 National Merit \$1000 Scholarships which are allocated by state.

Names of the winners will be announced April 30, 1970.

Dawn Bretz has participated in the following school activities: choir, Girl's Athletic Association, Science Club, Future Teachers Association, National Honor Society, girls' competitive swim team, Thespians, senior class play, teacher's aide, and counseling aide.

Pamela McCann has been active in G.A.A., Pep Club, Future Teachers Association, Swim Club, and on the

Tell Road Paving Hearings

By JACKIE FREITAG

LEMONT -- A meeting of the board of local improvements was held following Monday's regular meeting of the Lemont Village Board to discuss a special assessment for re-surfacing of Peiffer and Warner avenues.

A public hearing dealing with both special assessments will be conducted on Nov. 10 at 8:30 p.m., following the regular board meeting.

The amount of assessment number 102, which deals with that section of Peiffer Ave. from the centerline of Walter St. to the centerline of Warner Ave., will total \$18,855.

Of this total cost, \$1,060 is for expenses of making, levying and collecting the assessment and all expenses provided in the spreading of the "roll," the cost to the individual homeowner. Assessment number 103 consists of the roadway of War-

ner Ave. from a line 30 feet south of Peiffer Ave. to a line 390 feet north of Peiffer Ave. Its total cost will be \$10,135. Of this, \$570 will be involved in preparing the assessment.

Each assessment will include grading, draining, curbing and paving improvements.

Village Engineer Joseph Schudt Jr. explained that the contractor is not paid in cash, but in bonds with a six per cent interest rate.

The bonds in turn are not sold for their total value, but at a par value, which causes the contractor to raise his prices. In this instance the cost could go up from \$1 on work done to \$1.65.

Mayor John J. Kujawa stated the board can levy the assessment regardless of the outcome of the public hearing.

Don Mueggenborg, a resident of the area involved, asked what procedure is followed if the board decides to

have the special assessment. Kujawa and Schudt stated the public hearing would be held to help determine the extent and type of plans to follow, and to inform all property owners what is to take place. It would also give estimate of cost and all plans would be made available.

Schudt stated if residents in the area would have followed through with an earlier volunteer program it would have cost approximately half of what it would

cost now. At the public hearing, information of what the cost per foot of land owned will be available to each resident.

If bids on the work would come in less than what is estimated then the cost of the assessment would be lowered. If the bids come in higher, then a special supplement would have to be added.

Trustee Harry Mentch motioned to accept the assessment, seconded by Trustee Barry Ladd.

New Lenox Is Assured Of Buyers For Sewage Bonds

NEW LENOX -- A firm agreement to buy the bonds if the voters approve the Oct. 4 referendum has been made to the village of New Lenox.

The village is asking approval to issue \$300,000 of general obligation bonds to finance enlargement and improvement of its sewage treatment plant.

Benjamin and Lang, of Chicago, acting as fiscal agents for the village, have been looking for buyers of the proposed issue. Bonds, unless they are carrying very high interest, are difficult to sell, financial people say. They count New Lenox as fortunate to have a firm commitment and at an interest rate of six and a half per cent. Under the amended law covering municipal bonds the interest could have been seven per cent. Last week the U.S. Treasury sold \$8.9 bil-

lion of treasury notes at eight per cent interest.

The village is taking this action, it was pointed out, because it is under the gun of the Illinois State Water Board. The water board has told the village officials that New Lenox must enlarge and improve its sewage treatment and emphasized that the water board has the power to force compliance with its ultimatum.

The village trustees are hopeful that the residents of the community will approve the bonds. The policy of the present board is to use a portion of the sales tax to abate the levy for the bonds for as long as possible.

The work would have been done last year had not delays, including a forced referendum on a revenue bond issue, prevented getting bids while there was still a market for the bonds.

The issue -- \$1,200,000 -- was limited to six per cent interest, with the result there were no buyers. This issue was to have financed a central water system as well as improvements in the sanitary sewer system.

By their vote on \$1,200,000 bond issue -- four to one -- and a survey of potential users, the people of New Lenox was a central water system and the village board plans to bring it about. Right now the board is primarily interested in meeting the sewage treatment problem in order to get the State Water Board satisfied, as well as clear the road for expansion of the village limits.

Relative to a water system it has had some discussion with its fiscal agents as to means of financing the waterworks. Edward Benjamin, of Benjamin and Lang, told the board at its meeting last week

that he foresees some improvement in the bond market and advises the village to be ready so that when, and if, a revenue issue can be sold New Lenox can take immediate advantage of it.

To this end he suggested an ordinance be prepared and the engineers plans and estimates be updated. A rough estimate of the project cost was placed at \$900,000.

He advised acquisition of the General Water Co. assets as a part of the plan and the trustees authorized Benjamin and Lang to start negotiations with the utility firm toward the purchase of its interest.

This company serves approximately 100 homes outside and inside the village. Benjamin suggested that the board appoint one of its members to sit in on the negotiations. Trustee James Waring was named.

Everyone Looked: It Was Moon Dust

By JOSEPH SEVICK

SOUTHWEST -- A small plastic container looking like it might hold pills from the drug store slid out of the slightly larger plastic cylinder.

"Here it is," said Paul Fields, an Argonne National Laboratory senior chemist.

Everyone looked, came closer and looked again at the charcoal-black contents.

"That's moon dust," Fields said, holding the tube up.

The bigger bottle carried the label "Apollo XI Lunar Sample." Its contents weigh in at 51.7 grams, according to the label.

Fields, asked what it might be worth, said, "\$50 to \$100 million, if you could sell it to somebody."

You could detect excitement in Field's voice, and that of George Reed, another chemist heading a second research team. Their paced, precise speech reflected a careful and unhurried approach belonging to scientists. But years of acquired calm in the laboratory weren't fully effective in masking the excitement of having some of the first samples of the moon's surface.

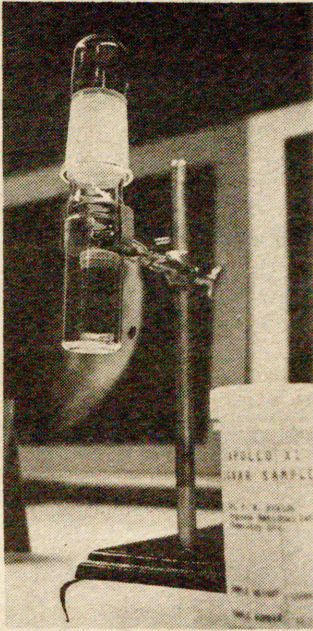

The vial shown Friday to a platoon of press representatives was filled with dust that Neil Armstrong, commander of the Apollo 11 mission, picked up about 40 feet from the lunar landing module.

The material wasn't impressive looking and no one could touch the nearly-black stuff.

The time hasn't come to open it, Reed and Fields said. It will stay sealed in its nitrogen atmosphere for a few more days. Once out, the dust won't be dangerous to humans, but humans could threaten its purity. A special laboratory that is free of all chemical contamination will be used to conduct experiments.

One scientist had looked at the sample under a microscope and had handled it. Louis H. Fuchs, a member of Reed's team, said, "It's powdery and granular. It looks wet, but it doesn't behave as wet." It's hard to tell what the dust really is, he said. To the eye there is varied composition and a large portion looks like glass.

The really meaningful "look" will be over a three month period to prepare a preliminary report on the chemical composition of the lunar sample. This will be done in part with a 100-inch mass spectrometer. It is a highly sensitive device and it analyses isotopes. Other elements will be revealed

The small tube of moon dust in photo above is displayed in glass vial against backdrop of a moon photo; larger carrying container is in right foreground. At right, Paul Fields (left) and George Reed tell how they plan to test lunar material. (GRAPHIC Photos)

when a nuclear reactor bombards some samples with neutrons. The radioactivity can be measured and used to distinguish chemical elements.

A total of five samples of material from the moon will be sent to Argonne. Two, including the one shown Friday, are on hand. Three are to come. There are dust, rock chip and crushed rock samples.

Members of Reed's research group are Fuchs and Mrs. Stanka Jovanovic. They hope to obtain information on the amounts of elements and the relation between lunar, terrestrial and meteoritic matter.

Fields' team members are Herbert Diamond, Donald M. Metta and Charles M. Stevens. Their search is for certain isotopes and heavy elements, some of which have only been created in earth laboratories.

These are two of 110 research groups in the United States and six other countries who are conducting experiments with the first lunar samples.

What it really means, said Fields, is that the elements can "tell us what's going on and help answer the question of where did the moon come from."

"It will help us understand our own solar

system better," Reed said.

Why are we doing all this investigation? "It's the nature of the beast. Man has to know," Reed declared.

Knowledge can't be hurried, though. Reed and Fields have each made a trip to Houston in the last week and a half to pick up samples. They haven't opened them yet.

The lunar material is about three billion years old, they speculated in response to a question.

Fields observed, "You want to do a little thinking first." Reed offered, "You kind of like to take your time on something as important as this."

Smash-Up Toll Increases To 3 Dead

THIS WAS the Gibson car in which Mrs. Laura Gibson, 56, was killed and her husband, Earl, 59, fatally injured. The vehicle collided head-on with a car on a curve on U.S. 30 at the west end of Lincoln Estates. Both cars were taken to the Cooper-Show garage at Frankfort.

MOKENA -- Funeral services for three traffic crash victims were conducted last Friday -- one at Mokena and the other services at Fairmount, Ind.

One crash occurred about 2:30 p.m. Monday, Sept. 15, but it was more than an hour later that Frankfort firemen were able to remove the body of one driver, Mrs. Laura Gibson, 56, from the wreckage.

Three others injured in the wreck were taken to Silver Cross hospital. There Kenneth A. Honeycutt, 34, of 9515 Hickory St., Arbury Hills, died that night, and Earl Gibson, 59, husband of woman who was killed, died the next morning, Sept. 16.

Still hospitalized is the man with Honeycutt, Earl W. Suschowski, 23, of 323 Poplar St., New Lenox. Honeycutt was employed by the Navajo Freight Lines, as an over the road driver.

The two cars met on the curve, practically head on.

The funeral for Mr. Honeycutt was held last Friday morning from the Hirsch Chapel, Tinley Park, at 9 o'clock to St. Mary Church, Mokena, at 10, with burial in the parish cemetery.

He was born in Colburn

County, Alabama, Nov. 11, 1934, and had been a resident of Arbury Hills for the past three years.

Besides his wife, the former Dorothy Schrage, Mr. Honeycutt is survived by three children, Lisa Ann, Kenneth Jr. and Michael; his parents, John and Clara Honeycutt, of Forest Park, Ill.; three sisters, Mrs. Margaret Mitchell, Corinth, Miss.; Mrs. Linda Kelly, and Mrs. Connie Gillespie, both of Forest Park, and two brothers, J. Wayne, of Chicago, and Donnie Honey-

cutt, now in the U.S. Army in Viet Nam.

The bodies of Mr. and Mrs. Gibson were taken to the Frankfort Community Chapel and from there were removed to Fairmount, Ind. where funeral services were conducted Friday. Two sons, Larry, of Jonesboro, Ind. and Phillip, of Swayzee, Ind., accompanied the bodies.

Mr. and Mrs. Gibson formerly resided at Jonesboro. They had been living at Fort Meyers, Fla.

2nd Windemere Unit Approved

NEW LENOX -- Approval of a 112-lot unit of Windemere, New Lenox Township, has been given by the Will County subdivision committee. Windemere is on the south side of U. S. 30, east of the village of New Lenox with Oliver Realty Co., New Lenox Lumber and Fred Koertge as the owners.

This is the second unit

The bond, covering improvements for the first unit which contained 108 lots, has been released by the committee.

John B. Anderson, attorney for the subdividers, agreed to follow a suggestion of Ralph Yunker, of the county engineer's staff, that an additional drainage easement be provided for certain lots.

Order To Leash Dogs, No Cats

FRANKFORT -- A new ordinance governing control and licensing of dogs is scheduled for passage at the next session of the village board.

The measure will cover all dogs, four months old and older. The same license fee, \$3, will be for all dogs, regardless of sex, and due for payment on Jan. 1.

There will be a 30-day grace period, however, but beginning Feb. 1 the fee will be doubled to \$6 for a tag. Failure to buy a license will carry a fine ranging from \$10 to \$50.

The license tag, and a tag issued by the veterinarian showing that the animal has been inoculated against rabies for the current year, together with the name, address and telephone number of the owner,

must be attached to the collar. The collar must be worn when the dog is taken out on the street.

Dogs cannot be on the street unless under leash. The only place a dog may be left unattended is in the house or a yard that is properly fenced. Owners of dog that run at large could be fined from \$10 to \$100.

School grounds will be off limits to dogs--all hours, all days.

Dogs running at large that are picked up would be impounded and if not redeemed with five days would be destroyed, it was said. The redemption fee would be \$5 plus the cost of board, plus the cost of vaccination against rabies if the dog has

not been inoculated.

The ordinance would also cover barking dogs and biting dogs. Barking dogs could subject their owners to fines. A dog that bites must be impounded for 14 days, at the owner's cost. If he is healthy at the termination of the quarantine he would be released to his owner but thereafter when on the street, on a leash, he must also wear a muzzle. If he bites the second time that would be all-- under the ordinance he would be designated as a vicious dog and would be destroyed.

Trustee Jerry Osmus remarked that he had received complaints about cats and how about an ordinance restricting them from running at large.

Village Attorney August Santoro ex-

plained that village ordinances had to be built on state laws and while there were state laws governing dogs and their conduct there was nothing in the statutes affecting cats.

A legislature once passed a law which would have applied to cats but the late Adlai Stevenson, who was governor at the time, vetoed the measure.

Cats did not take readily to regulation, he pointed out, and added that if the legislature started regulating cats, then someone would want a law regulating canaries, or parakeets, or mashed potatoes and a host of other things.

The village, of course, could adopt an ordinance restricting cats, Santoro said, but it wouldn't be worth anything.

Liquor Fails To Win Nod

ROMEOVILLE -- Trustees voted against issuing another liquor permit at the Wednesday evening board meeting. Jerry Capps, trustee, made a motion to have the liquor ordinance revised, but the motion did not receive a second.

County and state officials will receive letters of acceptance from the village trustees regarding plans for the reconstruction of Naperville Road and Luther Drive.

Jaycees of Romeoville were present to request the board to make the middle of August the time for an annual carnival. Parade committee officials had entered a letter for reading at the meeting, the letter advised officials that the Fun Fair had lost money because in their opinion the carnival had interfered. Mayor John O'Hara asked that the two groups confer.

No money has been received on the open land development project. A number has been assigned to facilitate correspondence.

Funds which were provided in the budget were partially given to the Romeoville Disaster Unit to purchase supplies. Bills must be presented to the board.

Valley View School District 96 received a zoning change, to construct a bus facility in the vicinity of West View Junior High School. A permit will be issued but there will not be a charge.

Signing of a proclamation designating the week of September 20 as bicycle week was presented by the Jaycees.

Car Wash Set By St. Joseph

LOCKPORT -- St. Joseph Athletic Association of Lockport is sponsoring a car wash Saturday, Sept. 27 from 9 a.m. to 3 p.m. at the school parking lot. Tickets for the car wash are being sold by the members for \$1. Tickets sold at the car wash will be \$1.50. Membership in the athletic booster club will be taken Oct. 5.

Society Sells

LEMONT -- St. Alphonsus Altar and Rosary Society will sponsor a rummage sale from 9 a.m. to 5 p.m., Oct. 3 in the Church hall, 603 State St., Lemont. Refreshments will be served.

It was approved unanimously.

Traffic fines for the month of August were received in the amount of \$1,328.

Low bid for resurfacing of streets was awarded to Delta Paving Company, in the amount of \$37,582.60.

Johnson Company was awarded the bid for a base station and six radios for the street department. Bid amount was for \$1,884.

The next meeting is on October 1, at 7:30 p.m. in the Civic Center.

POSTMASTER GENERAL Winton M. Blount dedicated a new post office in South Holland recently, and attending the dedication were a number of local postmasters. Pictured at the dedication, discussing postal operations after the ceremonies, are from left to right: Emanuel Shafiranski, Postmaster of Le-

mont; Congressman Edward Derwinski; James Holt, Postmaster of Hazelcrest; Postmaster General Blount; Mrs. Evelyn Kramer, Postmaster of Orland Park, and Roman Mazurowski, Postmaster of Tinley Park.

Distribute County Taxes

JOLIET -- More than \$3.2 million was distributed to local taxing bodies Monday, Sept. 22, by Will County Treasurer Clarence Lipman (R), according to Deputy Treasurer Walter F. Schuetz.

"The treasurer's office distributed \$3,214,928.76, consisting of taxes paid in our office during the month of August," Schuetz said in making the announcement.

The least amount of money went to the Godley road and bridge fund, which received \$1.98.

Joliet Grade School District 86 claimed a whopping

\$466,999.46, to top the list of recipients.

The county general fund received \$322,947.79 and the forest preserve district, \$16,021.87. Thus, county government received approximately 10.5 per cent of the \$3.2 million, with the remainder going to local taxing bodies.

Schuetz said the distribution was made in accordance with the rates of each taxing body and the amount paid in the treasurer's office by residents of those taxing bodies.

"All tax monies are dis-

tributed to taxing bodies on the basis of current collections made by the treasurer's office," explained Schuetz.

The amounts received by area taxing bodies follows:

Misrepresent Selves

SOUTHWEST -- Phone and door-to-door canvassers are contacting homes in widely separated Chicago communities, falsely claiming to be conducting a survey for the National Safety Council, and identifying themselves as council officials.

Questions are asked about the number and ages of children in the family, the schools they attend, what time they leave and are expected home, and their mode of travel.

Mothers receiving such calls are urged to refuse to give any information. They should also notify their local police department or the public information department of the National Safety Council, 425 North Michigan Ave., Chicago, phone, 527-4800.

Approve The Bonds

New Lenox residents are to vote Oct. 4 on issuance of \$300,000 in general obligation bonds to finance enlargement and improvement of the village sewage treatment plant.

The enlargement and improvement is an ultimatum from the State Water Board. If the work is not done, village officials have been informed no more requests for connecting with the sanitary sewer system will be granted by the water board.

Probably many persons are unaware that sewer extensions or connections must be approved by the State Water Board. For this reason the water board has the village of New Lenox over the proverbial barrel.

The village had intended to remedy this situation at the same time it established a central water system. There were several delays, however, and by the time a \$1,200,000 revenue bond issue had been approved it was too late. Interest on these bonds was restricted to six per cent and it would be far easier to sell ice at the North and South Poles than a six per cent revenue bond.

The village board, however, has a firm commitment for the purchase of the proposed \$300,000 of general obligation bonds.

General obligation bonds -- G.O. bonds they are called -- are paid off through taxes. The present village board cannot take action to bind future boards but the members now are prepared to utilize a portion of the state sales tax to abate taxes which would be levied to meet

principal and interest payments on the G.O.'s for next year and probably the one following.

What future boards might do is within their province and does not lie within that of the present board.

The board is asking the voters of the village to approve the G.O. issue at the referendum Oct. 4. The State Water board can force the village to enlarge and improve its sewage treatment system and it has said that it will. It has forced such action in other communities.

The improvement of the system should add to the development of the area with a resultant increase in the assessed valuation that should reduce any levy on the bonds.

The proposed bond issue would be paid off in 13 years. Long term bonds are not so popular now, it was explained by the fiscal agents of the village. And while principal payments are larger, there is less interest to compensate for that.

It would appear to be good business to approve this bond issue Oct. 4. There is a buyer at hand and the interest rate would be six per cent. A change in the state law this year has raised the interest limit on municipal bonds to seven per cent.

If the village is placed in a position where it is forced by the water board to comply with its order, it was said, it could be more expensive. If forced the village board would have to accept whatever terms were offered.

All Crossed Up

Where are you at rush hour? If you are lucky you are steadily moving down a highway. If you are one of the unfortunate residents of Lemont you might be caught in the "rush hour congestion" at State and Main St.

Every evening problems of some sort develop at this intersection. When three roads, all going different ways converge on one intersection that is complicated by railroad tracks running across one road, you can bet on some kind of trouble.

What does the poor resident do that is stuck on the tracks, blocked by traffic in front and back while a train is coming? He panics. Sometimes, if he is lucky, somebody will move their car so he can get off and far

enough away from the tracks to avoid an accident.

What can be done about this intersection is a problem which concerns all area residents. Members of the village board have discussed this, but have never been able to do a thing, at least not to the present time. The state has an entry in this intersection, and getting action from the state is not the easiest thing.

Residents that have faced the hair-raising experience with the train should register complaints with the village board first, then make their gripes and objections known to the proper authorities.

With luck and the proper complaints going to the right authorities something can be done about the problem.

Stranger Among Us

There was a time when boys dreamed of becoming railroad engineers, firemen, policemen or bricklayers. But that was in a yesterday that seems as outdated as the Aardvark.

Today boys think in terms of nuclear physics, outer space and many think of doing little else other than protecting what they feel is an unjust and backward society. These sometimes vehement rebels are of the opinion that "old fashioned" institutions are no longer relevant in our "today" so-

ciety. The vociferous complaints of the indignant younger generation has received far too much attention from the press, radio and television.

The lack of notoriety achieved by those youngsters seriously pursuing an education is worthy of their position. That the majority of our youth ignores the disruptive element in seeking a traditional and progressively better education is indicative of a basically sound policy.

That a dissatisfied minority, influenced by their apparent inadequacies, has been allowed to foment disorder of such magnitude, says much for an established society which they profess to abhor. This permissive attitude best exemplifies a democratic form of government in which those wishing to dissent are free to do so without penalty.

Since the more militant elements of this minority have gone beyond the bounds of peaceful protest there is a growing segment of the "establishment" which is turning a deaf ear to the cries of indignation. This ever-increasing number of citizens was, in the main, either in sympathy with the protesters or at least not against this neo-educational extra curricular activity.

The cultural progression of all societies throughout history can best be evaluated by the method of transition accompanying this progression. When the change is through orderly and logical succession there is a rewarding and bountiful heritage for all to enjoy. This is the way of a democratic society and the only way in which a people can continue in greatness.

Those thinking in terms of violent revolution are sorely misinformed or indifferent to the lessons of the past. Those who would expound the history of our own revolutionary history ignore the very thing they are attempting to accomplish... change.

Immediate and cataclysmic change in social mores is unacceptable in a stable form of government. The Constitution of our country is a safeguard to all. The Bill of Rights guarantees that safeguard. There has never been a more equitable system of obtaining change in the needs of a self-governed people.

Patience is a virtue of less and less importance to those hoping for overnight self-aggrandizement. All things come to those who wait. In some cases the wait may seem exceeding long. The changes, if worthwhile, will come.

Letters To The Editor

(Editor's Note: The following is a letter sent by Donald H. Mueggenborg of 9 Peiffer Ave., Lemont, to Paul Powell, secretary of State.)

Dear Mr. Powell:

I wish to call attention to a traffic law in the State of Illinois which I feel should be revised.

On Sunday, Aug. 31, I was pulling a camping trailer on the interstate highways in Illinois, I-80 and I-55, and I felt that I was creating a hazard traveling at 55 mph causing all traffic to pull into the center lane to pass me. On Monday, Sept. 1, I returned home without the camper and saw that cars towing trailers were causing a slowdown in traffic and I feel this is a hazard.

I feel that it would be safer to move the speed limit for trailers and campers to 65 mph on interstate highways in Illinois.

Traveling through 11 states in the east and south-east this summer, I found only one other to have a significant difference between auto speed limits and trailer speed limits.

Please reconsider this law.

Sincerely,

Donald H. Mueggenborg

Inflation Continues To Grip The Economy

A Timely Round-Up The Extent And Causes Of Inflation

BY STANLEY L. WILLIAMS

(Copyright, 1969, Congressional Quarterly)

WASHINGTON -- President Nixon has announced three massive budget cuts to hold government spending at an anti-inflationary level.

The Nixon program has concentrated on holding the budget down and federal revenues up to create a surplus of \$6.3 billion. The economic case for a surplus as an anti-inflation agent is that it takes more money out of the spending stream than it puts back in, reducing the pressure on prices.

To maintain revenues at a surplus-producing level, Mr. Nixon made extension of the 10-per cent income surcharge a key part of the anti-inflation legislation he has sent to Congress.

Extension through 1970 Sought

He proposed extending the surtax at 10 per cent for the rest of this year and at 5 per cent for the first half of 1970. Repeal of the 7-per cent tax credit for business investment would make up the revenue lost by the reduced rate next year and provide funds for new programs.

The surtax, according to public opinion polls, letters from the public, and Congressional reaction, is very unpopular. It is highly visible, since it is calculated as a percentage of the tax bill the taxpayer owes or has paid. The actual rate calculated on 1968 taxes, due last April, was 7.5 percent, since the tax was in effect for only three-quarters of the year. Since Congress has extended the surtax through this year, the rate taxpayers will use next April will be the full 10 per cent.

Budget Cuts

The President announced in April that he had cut the budget for the present fiscal year (July 1969 through June 1970) by \$4 billion. In July he said he would have to

cut the budget an additional \$3.5 billion. A \$3 billion cut in military spending was subsequently announced.

Recently Mr. Nixon said he was cutting back government construction contracts by 75 per cent. At the same time he asked states and local governments to reduce their federally aided construction by the same proportion. He warned that if the states and cities did not cut back sufficiently he would restrict the construction commitments that could be financed with federal grants. He left open the question how long he would wait before taking that action.

The 75 per cent, \$1.6 billion federal contract postponement would result in an actual spending cut of about \$300 million during the fiscal year, since funds are paid out only as work is done. If states and local governments reduced their federally aided construction by three-fourths, the total deferral would be \$4.5 billion, with a budget reduction of about \$700 million.

Actual Cut Will Be Less

The actual reduction in spending will be much less than the total of the President's announced cuts, for two reasons. First, according to Mr. Nixon's tax message last March, inflation and other factors increased the cost of many items in the budget left behind by former President Johnson, while some revenues will be less than estimated by the outgoing Administration. Part of the initial \$4 billion budget cut was devoted to making up for those differences.

Second, despite the fact that Congress passed an expenditure ceiling, it has not accepted certain of the spending levels recommended in the budget or included in the \$4 billion cut. Action on appropriations bills has been extremely slow during this session of Congress, but the President considered it necessary to include \$1 bil-

lion in the \$3.5 billion cut to offset Congressional action. The remaining \$2.5 billion was to meet unforeseen and uncontrollable increased in existing federal programs.

Surtax Extension Voted

So far only the extension of the surtax through December 1969 has become law. The House of Representatives has passed the full extension plus repeal of the investment credit twice, first by a narrow margin in June and then as part of its tax reform bill in August. The surtax was actually kept alive initially by action to extend the necessary withholding rates after the surtax expired and subsequently by a Senate compromise which led to passage of the six-month extension.

Spokesmen for the Administration still consider the full surtax extension -- through next June -- and repeal of the investment credit as necessary. The program as proposed by the President, they argue, is necessary for an orderly and non-inflationary phase-out of the surtax.

The Nixon program is based on the assumption of continuation of the Federal Reserve Board's "tight money" anti-inflation policy. Relaxation of the restrictive monetary policy, which is held by some to be responsible for high interest rates and by others to threaten a future recession, has been held out by Administration officials as a goal that can be achieved only when the President's fiscal measures produce the desired effect in the economy.

Stamp To Honor Ike

U.S. 6c POSTAGE

DWIGHT D. EISENHOWER

SOUTHWEST -- A postage stamp honoring Dwight D. Eisenhower has been designed and unveiled, according to L. E. Brown, postmaster in New Lenox.

He said the formal announcement was issued by Winton M. Blount, postmaster general, who said the 6-cent stamp will be issued with first day ceremonies Oct. 14 at Abilene, Kansas. Eisenhower spent his boyhood there and that is his final resting place.

The commemorative stamp is based on a photograph made by Bernie Noble of the Cleveland Press. This photo captures the grin that was President Eisenhower's trade-mark. The design selected had the approval of Mrs. Dwight D. Eisenhower.

The vertical stamp will be the second jumbo-size one issued this year. It measures 1.05 by 1.80 inches. It will be issued in panes of 32 -- eight stamps across, four stamps down.

The vignette is black. At the top of the stamp, in blue, is "U.S. 6c Postage." At the bottom, in red, is "Dwight D. Eisenhower."

By STANLEY L. WILLIAMS

(Copyright 1969, Congressional Quarterly Inc.)

WASHINGTON -- Inflation still grips the American economy despite top-priority efforts by President Nixon's Administration to bring it under control.

The public, reaching Members of Congress and Administration officials by mail and personal contact, has convinced them that the foremost discontent of the voters today is over rising prices and interest rates, high taxes, and government spending.

President Nixon has made inflation a major issue. His anti-inflation legislation stands foremost among his Administration's programs.

'Save the Dollar'

In a message to Congress last April 14 he said:

"One priority that has emerged clearly and compellingly is that we must put a halt, swiftly, to the ruinous rise of inflationary pressures . . . Unless we save the dollar, we will have nothing left with which to save our cities -- or anything else."

For the second consecutive year, Congress has passed an expenditure ceiling in an effort to hold down government spending.

Initially, much of the public outcry followed the revelation by the outgoing Johnson Administration that many high-income persons, including a number of millionaires, have completely escaped the federal income tax through various loopholes. In combination with inflationary pressure, this has made tax reform a major issue.

Experts' Yardstick

To economists, one of the most accurate yardsticks of inflation is the figure they apply to Gross National Product -- the total output of the economy in goods and services -- to eliminate

the effect of price increases in order to measure real economic growth. This figure is the GNP deflator.

For the first half of 1969 the GNP deflator was 4.9 per cent. The GNP increase of slightly more than \$16 billion in each of the first and second quarters this year -- annual growth rates of 7.5 and 7.4 per cent respectively -- was two-thirds price increase and one-third or less real growth.

GNP rose slightly more than 9 per cent in 1968. But with a deflator of 4 per cent for the year, real growth was only about 5 per cent. For more than a year the GNP rate of increase has been declining, while the deflator has been increasing, reducing the rate of real economic growth to 2 per cent, on an annual basis, in the April-June quarter of 1969.

Wholesale prices, which ideally would remain stable, rose 4.1 per cent, according to the U.S. Department of Labor's Wholesale Price Index, during the year that ended June 30. The rate of increase in the first half of 1969 was 6.3 per cent.

The Consumer Price Index went up 4.7 per cent during 1968. It rose 5.5 per cent during the 12-month period ending with June, and in the first six months of this year it moved up at an annual rate of 6.4 per cent. From May to June the index soared at an annual rate of 7.6 per cent, although it moved up at a reduced rate of 5.6 per cent in July.

Buying Power at 1965 Level

For the first six months of this year, labor's wages and benefits increased at an annual rate of more than 7 per cent, according to the Labor Department. This was slightly above the level of 1968. Yet, according to government statisticians, price increases have kept the typical wage-earner's take-home pay, measured in actual purchasing power, at approximately the same level since 1965,

despite pay raises.

Interest rates have reached 100-year highs. New high-rated (Aa) corporate bonds brought yields of over 8 per cent in June. Municipal (tax-exempt) bonds have brushed within a hairbreadth of 6 per cent. Home mortgages have reached 8.5 per cent. Treasury 12-month bills at a top yield of 7.89 per cent on a coupon basis (actual interest paid) in June.

Despite high interest, demand for credit has been straining the available supply. Slumping rates of construction show that building, particularly new housing, has been losing in the competition for money.

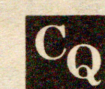

Inflation, according to economists, is to a certain extent a state of mind, in which the public is geared to an expectation of continued inflation -- and to a psychology which concentrates on self-protection. To immunize himself against higher prices and interest rates in the future, the buyer or borrower decides that he must buy or borrow now -- while prices and interest rates are still lower than they will be next month or next year.

As long as people go on doing that, the economists say, they are making a self-fulfilling prophecy, for their actions tend to ensure that prices and interest rates will be higher next month and next year.

Economists trace inflation back to 1965, the year the United States became an active belligerent in the Viet Nam war. High Treasury officials in the Nixon Administration call the failure to reallocate priorities -- to tighten the belt and do without in the domestic area, once the decision was made to enter the war -- the major error of economic policy of the Johnson Administration.

In effect, the United States ignored the classic dilemma -- whether to have guns for war or "butter" for domestic tranquility -- and decided it could have both the result was inflation.

the **HIRSCHS'**

Dear friends,
Inflation has affected funeral costs as it has other professional services.
'Overhead' costs -- salaries, maintenance, equipment, heat, light, telephone, car upkeep, insurance, laundry, embalming -- are a few of the expenses that make up the funeral service charge.
The funeral director who overcharges for his essential service is rare indeed.

Respectfully,

Carl H. Hirsch

Lonely Widower

Dear Miss Brookfield:

I am a lonely widower. My wife and I had a good life together. Our marriage was really blessed. I am rearing three children. I own my house and keep it with the aid of the children. I cook, wash and clean. I do not smoke, drink or gamble. The church I attend is small and I do not meet eligible women. Can you put me in touch with a woman who is interested in marriage? I enjoy sports and traveling. I know I could never find a woman to take the place of my wife but I believe I could learn to love another woman just as much.

K. E., Vale, Ore.

Dear K.E.:

The country is full of eligible women but we cannot put you in touch with them. We do have a few suggestions, however. Since you have found spiritual fulfillment through your church, talk to your pastor about the possibility of getting involved in church activities. Also, contact the Oregon State Baptist Convention -- or talk to your pastor about it -- to explore the church-oriented, social activities in larger communities that you can join. Good luck!

Eye Problem

Dear Miss Brookfield:

My mother is a mature woman of 51. She looks great for her age and prides herself on her youthful appearance. For some years now she has needed eyeglasses but she refuses to admit it, let alone discuss it. She annoys my father by borrowing his glasses to read. Now, a few of her friends have complained because she passes them by on the street. They think she is slighting them. I can't convince them that she probably didn't see them. What do you suggest?

M.M., Boston, Mass.

Dear M.M.:

If you can convince your mother that she has failed to recognize her friends, you may be able to sell her on the idea of undergoing an eye examination. In the absence of any eye disease, chances are that your mother is undergoing the normal, physiological eye changes of the over-40 age group.

At 40 and certainly by 50, the average woman does need a pair of lenses for reading, according to Dr. Arthur Keeney, Chief of Professional Services at Wills Eye Hospital, Philadelphia, Pa. "The second and biggest change," according to Dr. Keeney, "is the fact that a little more light is needed to read by. For about every 13 years we live, we need twice as much light to see under dim circumstances. That's why grandmother fusses at some of the youngsters who seem to be reading in dim light."

If she gets her eyes examined, help her select attractive eyeglasses. Certainly there are plenty of them available. If you fail to find a pair at the first good optician's shop, try another. If, however, she still refuses to purchase even reading glasses despite the discomfort of going without them, convince her to have periodic eye examinations and give your father a second pair of reading glasses as a birthday present.

Male Menopause?

Dear Miss Brookfield:

I have heard that men go through some sort of a menopause, too. Is this true? My husband is 53 and has always been a good husband and a good father. But lately, when we visit friends he openly flirts with their daughters, who are in their late teens. What's behind this?

F.L., Kansas City.

Dear F.L.:

Your husband may be going through what some wives call the "silly stage." Some men try to recapture their youth by flirting with younger women, or buying gaudy clothes or a sports car. Others may have "one last fling." If your husband has always been a good mate and father, I wouldn't worry about his attentiveness to the daughters of friends.

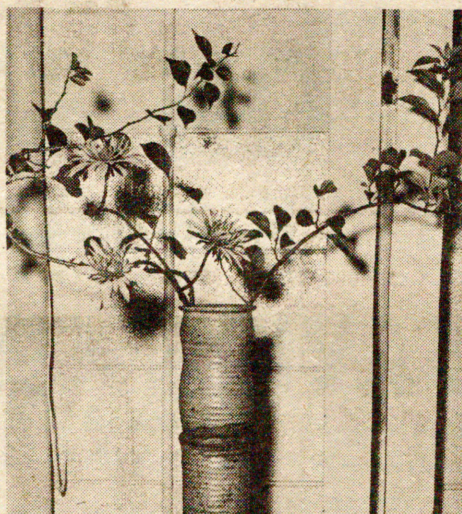

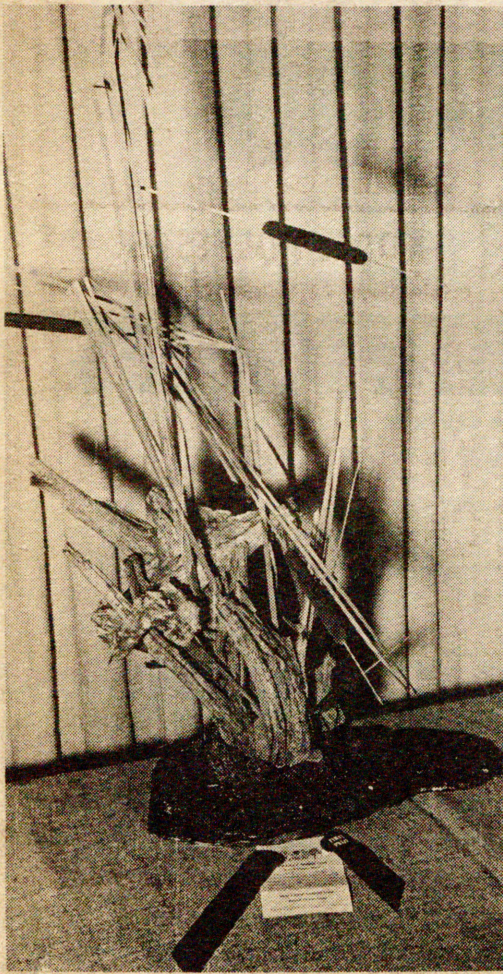

As for your question, many physicians doubt the existence of a true "male menopause."

Have you a problem as a mature woman, or with one? For advice and help write to Margaret Brookfield, Information Center on the Mature Woman, 3 West 57th Street, New York, N.Y. 10019.

Stein-Pazin Exchange Vows At St. Matthew's

LEMONT -- Two bouquets of yellow gladioli and white daisies decorated the altar of St. Matthew's Lutheran Church for the Aug. 16 wedding of Norma Jean Stein and Allen J. Pazin.

Rev. Gilbert Schaller officiated at the ceremony. The bride is the daughter of Mr. and Mrs. William J. Stein of 911 Warner Ave., Lemont. The groom is the son of Mrs. Wilma and the late Michael Pazin of Hinsdale.

Soloist was Robert Rimbo of Lemont, accompanied at the organ by Mrs. Gilbert Schaller.

The bride, escorted to the altar by her father, wore a white peau d'ange lace A-line gown designed by Mendicini. The mandarin collar and full puff Priscilla sleeves were accented by the large Priscilla cuffs and natural waisted effect of the dress.

She carried a crescent shaped bouquet of white daisies, lilly of the valley and ivy.

Mrs. Thomas Nelson, sister of the groom, served as matron of honor. She wore a floor length A-line gown.

Bridesmaids were Miss Denise Krempa, cousin of the groom, Mrs. Richard Erickson, Mrs. Roy Hostert, and Miss Pamela Hamman, all of Lemont. Each wore

MR. AND MRS. ALLEN PAZIN

gowns identical to the matron of honor.

Robert E. Stein, brother of the bride, served as best man. Groomsmen were Gerald Pazin, Richard Kordas, both of Chicago, cousins of the groom, and Albert Gabrys of Hinsdale, and Walter Cicielski of LaGrange. Ushers were Dean Pazin, brother of the groom, and Randy Krempa, cousin of the groom.

For her daughter's wedding, Mrs. Stein chose a

rose lace dress with white accessories. She wore a red garnet rose corsage.

Mrs. Pazin chose a beige satin brocaded dress with matching accessories. She wore a coral garnet rose corsage.

A reception was held for 300 guests at the Yugoslav Hall in Chicago. A four-tiered wedding cake centered the bride's table.

The couple is residing at the Fountainhead Apartments near Westmont.

PLANNING FOR THE "Was, Is", an antique show Sept. 23, 24, and 25, are (l to r) Mrs. Charles Coakley, Mrs. Zenon Kowaliczko and Mrs. George McAbee, all of Lemont. The show is being sponsored by the DuPage County Homemaker's Extension Association, and will be held at the DuPage County fairgrounds in Wheaton. The annual event is the sole fund raising project of women which are given to support cooperative home economics education for the units, and for 4-H youth in the county.

Announce Game Help

LOCKPORT - The annual card party sponsored by the Daughters of Isabella, St. Elizabeth Circle 1023, will be held Sept. 28 at 2 p.m. in St. Joseph's Hall, 5th and Jefferson Street.

Mrs. Raymond Burcenski, chairman and Mrs. Harry Mohr, co-chairman, named those who will serve on the committees: Mrs. Edward Woods and Mrs. Charles

Adelman, tickets; Miss Jean Timm, raffle tickets; Mrs. William Timm and Miss Anna

Ward, cards; Mrs. Matt Pisut Jr. and Mrs. Richard Costable, games and Mrs.

Joseph Skuta, Mrs. Bernard Saginus, Mrs. Robert Sufem and Mrs. Francis Gleason, refreshments.

There will be door prizes

awarded and refreshments served.

Brown-Larson Recite Vows At St. Jude's

NEW LENOX -- Rosemary Susan Brown became the bride of Larry J. Larson on Aug. 16, at St. Jude's Church, New Lenox.

The bride is the daughter of Mr. and Mrs. Lester E. Brown of New Lenox and Mr. Larson is the son of Mr. and Mrs. Marcellus Larson of Newark, Ill.

The bride wore an A-line white silk organza bridal gown with empire waistline, bateau neckline, long tapering sleeves frothed with peadange lace as in bodice and skirt. The medallion lace insets in both skirt and sleeves were beaded with wheat and seed pearls highlighted with crystals. She carried a bridal cascade of white orchids, stephanatis and yellow sweetheart roses with a crystal rosary.

Miss Penny McPartlin, maid of honor, wore a maize silk floor length A-line gown with puffed sleeves and matching veil headpiece. The bridesmaids were Miss Lois Ruhle, Miss Lynda Cramer and Mrs. Linda Petrovic. All wore maize silk gowns identical to the maid of honor.

The flower girls, dressed identical to the bridesmaids, were Suzanne and Kathryn Vogrin, nieces of the bride. They carried baskets filled with white daisy petals.

Glenn Domokos was best man and ushers were Ronald Thompson, Donald Carlson, Thomas Thompson, Brian Brooks and Robert Heap. Ringbearer was Donald Brown, nephew of the bride.

The mother of the bride wore a maize silk organza gown with jeweled neckline

Mr. and Mrs. Larry J. Larson

and long sleeves trimmed with jewels. The mother of the groom wore a mint green, two piece silk dress. Both wore white orchid corsages.

The young couple were joined in marriage by Father Louis Diethelm, O.F.M. of Chaska, Minn.

After the wedding, a reception was held at the Knights of Columbus Hall, West Jefferson St., Joliet.

The newlyweds honeymooned near Rhinelander, Wis. They are now residing at 1610 Campbell St., Joliet.

Announce Marriage

LEMONT -- Mr. and Mrs. Harold Hollowell of Tinley Park announce the Sept. 6 marriage of their daughter, Kathleen, to Francis Bradbury, son of Mr. and Mrs.

Herman Bradbury of Lemont.

The bride is beginning her nurses training. The groom is employed at Argonne National Laboratory.

Introducing the 1970 Buicks.

Three of 36 great new Buicks.
Three of the finest Buicks ever.
Built with all the care and craftsmanship possible.
Built with product integrity.
Right down to the fine details.
As a few of these fine details will prove.

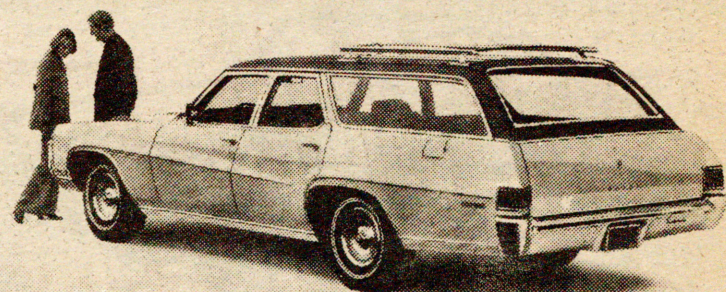

Every 1970 Buick has a new cooling system that should never ever overheat. • Every 1970 Buick equipped with a V8 engine has an exclusive carburetor time modulated choke control. It will make for easy starts in any weather. • Every 1970 Buick is equipped with fiberglass belted tires as standard equipment. • Every 1970 LeSabre, Wildcat, Estate Wagon, Electra 225 and Riviera has an exclusive suspension system called AccuDrive. Never has handling been easier. • All the 1970 Buicks have the look that makes people look twice.

No wonder Buick owners will keep on buying Buicks. Buicks are automobiles you can believe in.

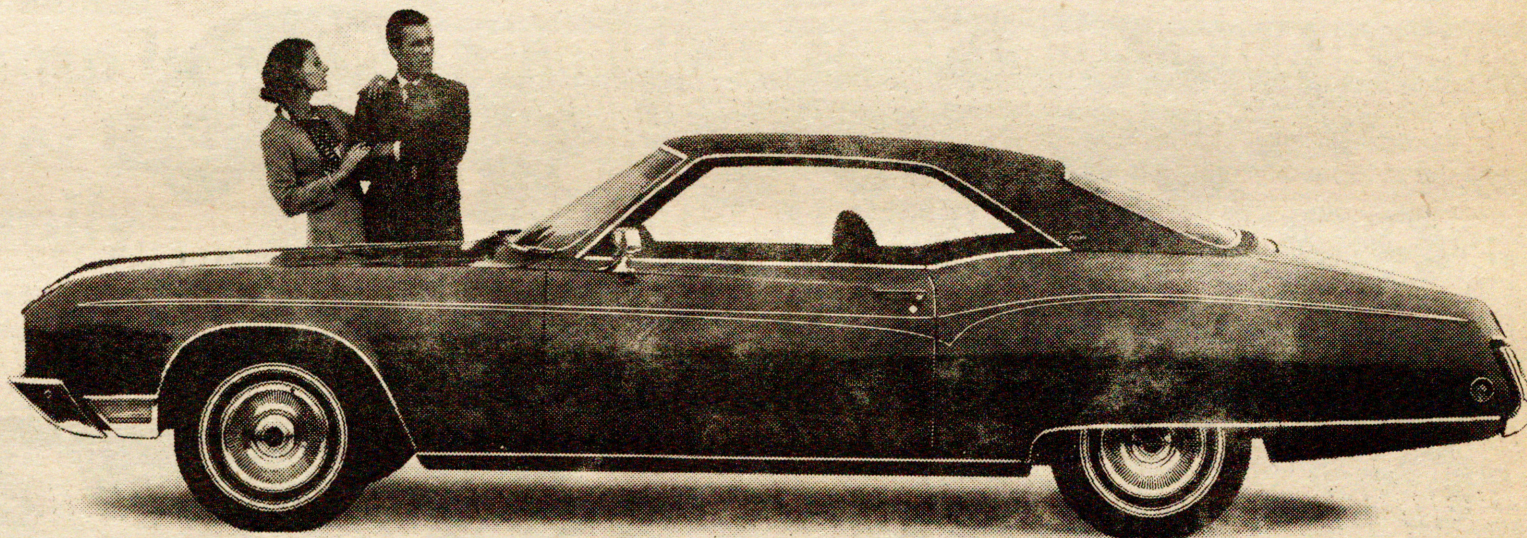

Something to believe in.

1970 Buick LeSabre Custom 2-door Hardtop. With a 124-inch wheelbase. Now available with a 455-cubic inch V8.

1970 Buick Estate Wagon. Totally new. A full size wagon with a 124-inch wheelbase. The longest you can buy.

1970 Buick Riviera. An all new 455-cubic inch V8 combined with a beautifully behaved 3-speed automatic transmission are a small part of what's standard.

Calling all mothers --
There is an urgent need for some additional den mothers

in the Cub Scout program. Please recheck your activity schedule and see if you don't have some free time. One day a week is what is needed for these young boys. If you do find that you

have the time, please call either Will Way at 479-5364 or Keith Miller at 479-5378. These youngsters are waiting for some mothers to help out...
There are two Junior Girl

Scout troops in Arbury Hills this year. The Junior troop number 103 will be headed by Mrs. Jo Ann Diercouff and Mrs. Arlene Yoder. This troop will include those girls who have been in the Cadette Girl Scouts. These girls will form a special patrol within the Junior troop so that they will not be deprived of Girl Scouting.

The second Junior Girl Scout troop does not as yet have a number, but it does have twenty girls and two co-leaders, Mrs. Ronnie Miller and Mrs. Mary Froehlich.

The second Junior troop does have room for twelve more girls in the fourth through sixth grade level. Any additional girls interested in participating in girl scouting at the Junior Scout level should contact either Mrs. Lorraine Thompson at 479-9146 or Mrs. Ronnie Miller at 479-5378 or Mrs. Mary Froehlich at 479-5077 before all the activities begin and there is still room in the troop...

The Brownie Scout troop number 332 with Mrs. Shirley Boothe as leader has now been successful in obtaining a co-leader for the troop. Mrs. Pat Graham, a new-comer to the area will work with Mrs. Boothe in the troop...

The Arbury Hills Baseball League held its Baseball Banquet at the Cow Palace in Mokena on Sept. 13.

Following the dinner there was a short and happily, interesting speech given by Pat Sullivan an athletic teacher at Providence High School. Fortunately for all they boys, Sullivan was young enough to remember what is interesting to young boys.

The main event of the evening was then upon us with the presentation of the merit awards to the boys found deserving by the managers and coaches.

A special award of merit was given to the older son of Julius Sandy, one of our faithful coaches, for his exceptional help with the teams this summer.

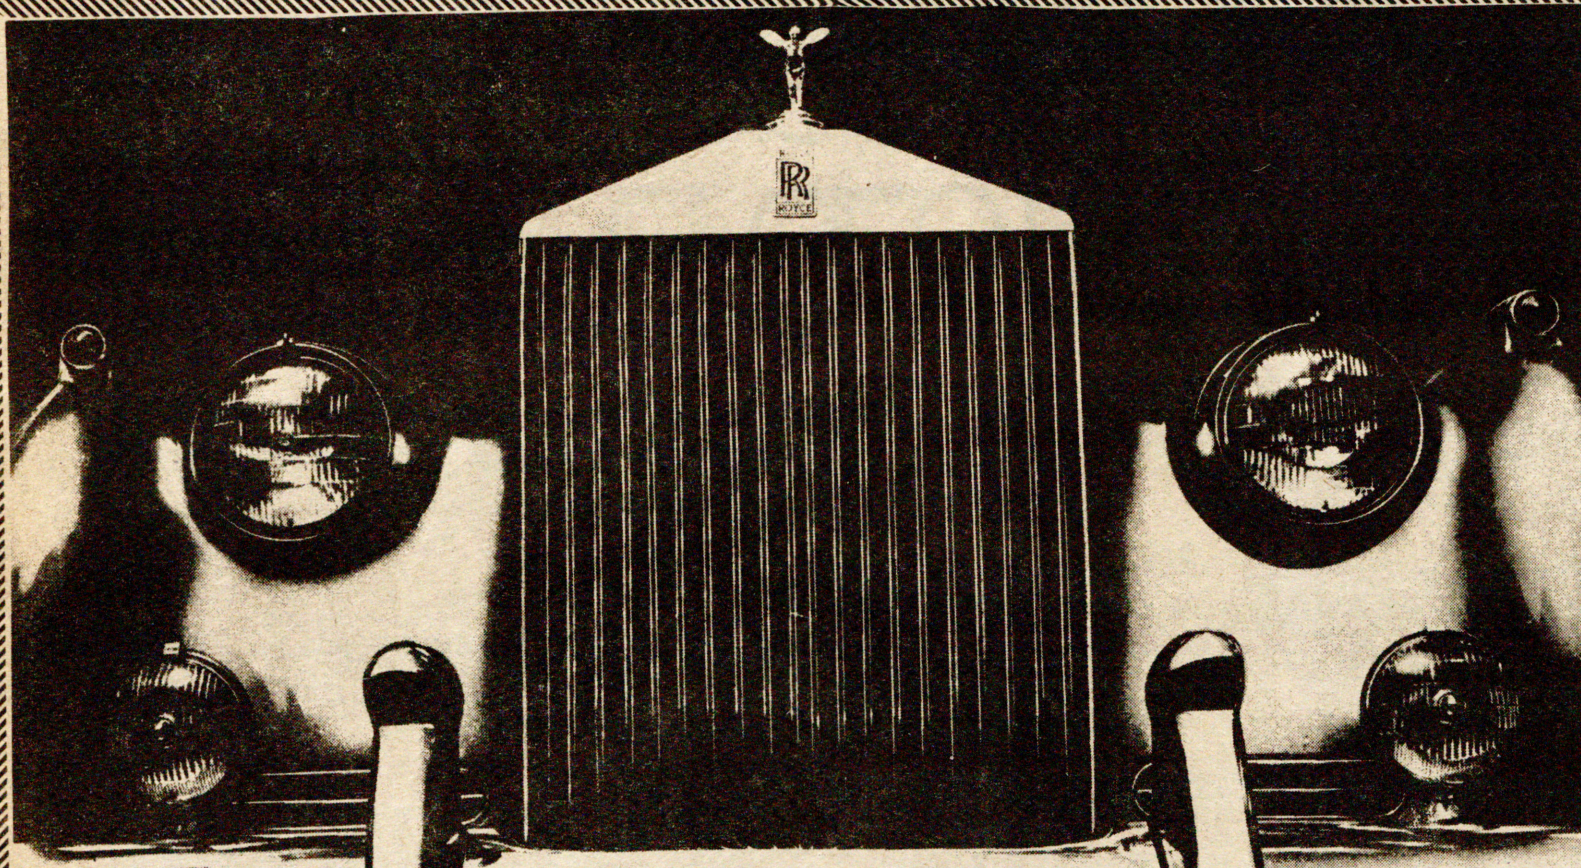

The awards were given out by the managers of each team involved. The Number 1 Farm Team, with Jordan Marzano as manager had for most valuable player, Ken Honeycutt. The Number 2 Farm Team, with Romeo San Sosti as Manager, had for most valuable player, Ed Hill. Since not all of the boys had played baseball with the league last year, the trophy for most improved player was not presented to the boys of the Farm Team so that it is fair to all.

The Number 1 B Team with Vernon Crowder as manager had for most valuable player, John Smith and for most improved player, Tommy Cumbee.

The Number 2 Farm Team, with Edward Vander Veen as manager, had for most valuable player, Scott Sandy and for most improved player, Mike Louis.

The A Team, with Bill Kennard as manager, had for most valuable player, Frank Setter and for most improved player, Jim Rose.

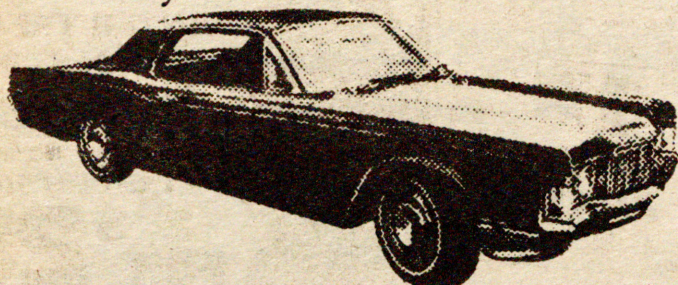

The Pony Team, with Foster Tekotte as manager, had for most valuable player, Bill Roach

Merrick Sets A New N.L. Mark

NEW LENOX -- The Lincoln-Way cross-country team, under the tutelage of track coach Joe Rodriguez, finished off Rich Central last Saturday in a non-conference meet, 16-46, for its fifth win of the season as against no defeats.

Dave Merrick, L-W junior who makes records only to break them, established a new one for the 2.7 mile course of 13:19. The top mark previously, also set by Merrick this year, was 13:41.

The Knights also took the next three places with Bill Been, Al Carlson and Lee Erickson in that order. In

sixth place came Tom Booble with Al Davis seventh and Bill Simpson ninth.

Lincoln-Way frosh-soph harriers also won from Rich Central 26-29. Top finisher in this meet was Lincoln-Way's John Been who covered the distance in 15:05. In second place was Phil McAndrew, of Lincoln-Way. John Schelling finished sixth, Pat Nelson eighth, Dave Moutrey ninth, Kevin Carroll 11th and Greg Heckler 14th.

Lincoln-Way harriers took the SWS Conference title last year and are determined to repeat and they say that determination is an important factor.

Highlight Fall Run

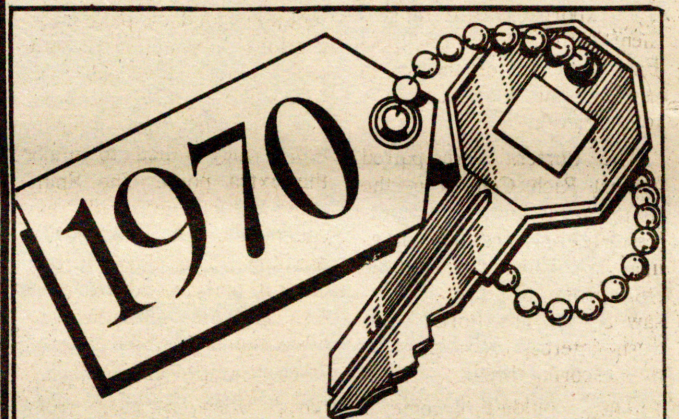

BY RUSS SANDBERG

LEMONT -- The fall 1969 sports calendar at Lemont High is not completely monopolized by the gridiron sport, for there is also 17 man cross country squad that has been hard at work concentrating on their specialty.

In a triangular meet hosted by the locals, Sept. 18, Lemont High swept to victory over the harriers

representing Minooka and Wilmington. The final count was Lemont 32, Minooka 38 and Wilmington 58.

Top man in the meet was the Indian's Al Brown, who captured first place honors. Close behind in the number 2 spot was Ken Sniogowski. Other low finishers were Rich Klein (8), Bruce Hoster (9), Roger Weber (12), Frank Basco (13), Greg McCoy (14), Tony Galati (20), Doug Johnson (21).

L-W Drops Conference Opener To Rams

OAK LAWN -- Lincoln-Way and Reavis High School varsity football teams met in their first Southwest Suburban Conference contest here last Friday night and Reavis was the winner 29 to 22.

The Reavis Rams had a 22

to 0 lead in the second quarter before the Knights got untracked and when the half ended the visitors had reduced the score to 22-14.

Lincoln-Way failed to score in the third frame when Reavis put seven more points on the board. In the final per-

iod it was the Rams who didn't score while the Knights got eight points. With less than two minutes to go Larry Czerwinski intercepted a pass by the Knights quarterback, Harld Webb, that halted a Lincoln-Way march and gave the Rams control until

only 32 seconds remained on the clock.

The Knights took over then. Webb missed with his first pass. He hit Stan White with his second at midfield but White couldn't find running room and time ran out before Webb could try again.

Webb completed seven out of 18 passes for 130 yards, two of them for touchdowns. The Rams made no yardage by air but clicked off 285 yards rushing. Lincoln-Way made 161 yards on the ground so in total yardage outgained Reavis 291 to 285.

Webb hit Otis and Palka with scoring passes and lugged the ball over himself on a 10-yard run when he found his receivers bottled up.

While Lincoln-Way lost the score was not like last year's contest with Reavis. Last year the Rams took the Knights 71 to 13.

Hornets In Win 24-0 Over N. L.

By DON HEEG

LEMONT -- Lemont's Golden Hornets gained their second win in impressive style when they defeated the hard-hitting New Lenox Mustangs Sept. 9. The score was 24-0 at the Lemont High School field.

In the first quarter, Hayden Reeves went off tackle for a 31 yard scoring run, to open the scoring for Lemont. The score stood at 6 to 0 at the end of the

first quarter.

Then midway into the second quarter New Lenox was forced to punt. Tom Leffler broke through to block the punt and Jim Hutchinson recovered the ball for Lemont. From there Lemont put on another scoring drive lead by quarterback Rich Sniegowski.

Lemont drove downfield with Rich Jakusc carrying in the last 4 yards for the score. The first half ended with Lemont on top 12 to 0.

The third quarter was all defense with neither team putting on much of a scoring threat.

Then in the fourth quarter Lemont put over another score. After another fumble recovery by Lemont, Rich Sniegowski took the aerial route and hit Ed Davis on a 28 yard scoring play, making the score 18 to 0.

Then on the next series Hayden Reeves put a little more frosting on the score when he rambled on another 21 yard run around end to make the final score 24 to 0.

All in all it was a fine team effort, with Lemont picking

up 137 yards on the ground and 46 more through the air route.

The defense put up another fine showing also, by their hard tackling they made New Lenox fumble 6 times, and Lemont recovered all. Some of the standouts on the Defense were: John Stanton, 8 tackles; Hayden Reeves, 10 tackles; Mark Barnett, 5 tackles; Rich Jakusc, 6 tackles; Tom Leffler, 5 tackles; Jim Hutchinson, 5 tackles;

New Lenox was limited to just 1 first down in the game.

Lemont's next home game will be Oct. 5 when they take on Midlothian at the Lemont High School Field.

Lockport Units Contest Losers

LOCKPORT -- The Ottawa Pirates took the victor's trophy after combat a week from yesterday in the Lockport Central football tournament in Joliet Memorial Stadium. They beat Rich Central, 12-0.

Lockport Central, tournament host, and Lockport East came out on the wrong end in the four 16-minute tournament tilts.

The Porters were paired against Rich Central in the first contest and went scoreless. There were only minutes left when the contestants broke a mid-field seesaw battle. The Porter's Gil Fash intercepted a pass to halt a scoring threat.

They couldn't become a threat themselves, though, and the game was decided on yardage. Central's total of 14 fell far behind Rich Central's 100.

Lockport West faced Ottawa in the second contest. A Lockport squad fell again, 14-0.

The third go-round found the losers, Lockport Central and Lockport West facing each other. The Porters came up with 13 points while the Spartans went scoreless.

Not even three minutes into the game featuring the

Lockport teams, halfback Ken Kennedy took a hand-off from Fash on a first down play. Kennedy found a hole in the Spartan line and went 51 yards to score.

This came after each squad missed opportunities to make good on pass interceptions. The action, despite the baubles, stayed in mid-field.

After the first Central score, they failed to make the extra point. The Spartans took the ball but couldn't break into Porter territory. The Porters took control and moved on their own and with help from penalties against the Spartans.

The drive seemed threatened when a pass from Fash was picked off by Chuck Williams of the Spartans. But Fash was roughed up in the play, so the Spartans didn't get the ball and lost 15 yards.

Fash moved the ball 15 yards in four plays for the second Central score. Kennedy carried the ball across and made the point, too. The contest ended Central 13, West 0.

The Ottawa Pirates came out with the clear edge over Lockport West in the second of the 16-minute contests. Two successful pass connections, good for 35 and 28 yards respectively, plus a two-point run after the second score, produced a 14-0 victory for the Pirates.

Ottawa won in the closing and championship battle, splitting the attack on the ground and in the air. A 38-yard aerial produced a 6-0 tally, and a 19-yard run closed the evening and produced the insurance score and win 12-0.

Here's one of 40 reasons why the electric dryer is a better buy.

Electric dryers are priced up to \$40 less than comparable gas models. And, a \$40 savings can represent about three years of drying expense free, for an average family of four.

But economy is only part of the electric dryer story.

Electric dryers dry your clothes the same way as the sun... with radiant heat. Your wash will always be sunshine-fresh and wrinkle-free, day or night, in any season. Saving \$40 and a lot of trips to the clothesline with a wet basket of clothes are good reasons to put a little more sunshine in your life—the new, radiant-heat electric dryer.

LOCKPORT Central went to the air Friday night in a 28-20 victory over a highly rated Joliet Catholic Squad. Gil Fash was the playmaker. (GRAPHIC Photo)

Power Sidelines Hillmen

LOCKPORT - An alert defense, a versatile quarterback and remarkable determination paved the way for a 28-20 victory by the Lockport Central varsity over a highly rated Catholic High squad.

The game, played last Friday night in Memorial Stadium was the Porters first victory of the young season. Central took advantage of several Catholic High miscues and scored twice in the first quarter.

On Catholic High's second series of downs, after an interception of a Gil Fash aerial, a fumble in the secondary was pounced upon by Central's Ed Stapinski who trotted 15 yards for the TD. The extra point attempt was wide and the Porters led 6-0.

A fumble by Catholic on receiving the kickoff led to the next score by the Porters. In five plays Gil Fash engineered a TD which came on a pass to Will Merrill. Ken Kennedy's kick was good and the elated Porters found themselves with a 13-0 lead.

Catholic High isn't known for playing dead and before the quarter ended they picked up eight points. Ken Roman dove over from four yards out and a two-point conversion cut the Porters margin to five points. The Hillmen gained a one-point advantage

in the second quarter after a one-yard spurt by Al Colobanno.

Late in the third quarter

Jurca Is Top Prospect

LEMONT -- One of the top prospects on the University of Iowa freshman football team is Paul Jurca, a former standout at Lockport's West High School.

Jurca, a 6'2", 210 lbs. guard from Lemont, is one of 31 prospects on athletic tender on a freshman team that ranks among the best ever assembled at the school.

An all-star last fall, Jurca earned all-conference honors in 1968 and 1969. He was named to the Joliet all-city 11 the past two seasons.

A versatile athlete, Jurca competed in basketball and track at West and won two letters in each.

"Paul is a fine athlete and has the makings of an outstanding lineman," says Hawkeye Coach Ray Nagel. "He's a hard-nosed individual and should play a lot of football for us before he's through."

Roman tallied his second TD of the night through the right side of the Central line for two yards. With the score 20-13, Central tightened up the defense and energized an offense that had been held scoreless for two quarters. A fumble by Mike Draznik Catholic's quarterback, early in the third quarter gave the Porters a TD in four plays from scrimmage. A two-point conversion put them

ahead to stay, 21-20.

Central's final tally of the evening came on a splendid fake by Gil Fash after which he ran nine yards for the score. The conversion kick was good and the final score read: Porters 28, Hillmen 20.

The Porters JV squad also marked up a win with a well earned 8-6 triumph over the Hillmen JV in the opening game.

Are Golf Winners

MOKENA -- Following another successful season of twilight play at Willow Run golf course at Marley, the 32 players making up the eight teams in the Mokena VFW Golf League, had their annual banquet at the Blue Willow in Lockport last Saturday night.

The traveling trophy was presented to Charlie Hecht, sponsor of the championship team. The team topped any previous winners, with Dave Martin tops in match play. In 14 matches he was beaten only once and tied twice.

Lou Omotta, who is on the Bilotti Shoes team, was again top medalist for the season, with an average score of 40.53. Willow Run is a nine-hole course.

There are eight teams in the league and they finished in the following order: Charlie's Barber Shop, Marty's Phillips 66, Bernardin's Florists, New Lenox Lumber, Mokena Pharmacy, Bilotti Shoes, Friant Construction and Burkhardt Construction.

The Charlies had 38 1/2 wins.

'Play Right' Is The Aim

By ED DECKER

JOLIET -- The 35 stalwart members of the Joliet Catholic High School football team just have to be winners. The intensity of the coaching is a real pleasure to behold. Even more pleasing to note is the response of the team as they knuckle down to execute the orders of the coaching staff.

Coach Gordon Gillespie

Ticket Sale For Porters

LOCKPORT -- Lockport Central-East season tickets for admittance of adults to five home football games will be on sale Sept. 22-26 at both high schools. \$5 each.

Student season tickets will go on sale also with a charge of \$2 per ticket.

has a touch of that Vince Lombardi method which plainly states, "do it right or don't play." I watched for the better part of an hour as the team went through an assortment of defensive and offensive plays.

Seldom did the straining athletes perform to the satisfaction of Coach Gillespie and he was quick to inform his charges of his displeasure. But through it all there was the apparent respect and willingness on the part of the team which tells much as to the future capabilities of said team.

Michael Draznik, quarterback and co-captain, displayed a strong arm and pitched a number of strikes both long and short. Draznik is a 1968 letterman and should be able to call the

shots with good results during the 1969 season.

Offensive co-captain Patrick Ward will play at the tailback position in the "I" formation which seems to be in favor this year.

Allan Colobauano, a 1968 letterman, will be at the fullback spot and this is one fellow who reveals his deep-down love for the game. He runs with a will... inside or outside.

Jim Murphy, tackle and linebacker; Jim Mackey, guard, and Bob Kapsch, tackle, will see a lot of playing time during the coming weeks for they will be playing offense as well as defense. Murphy and Mackey are co-captains of the defensive squad.

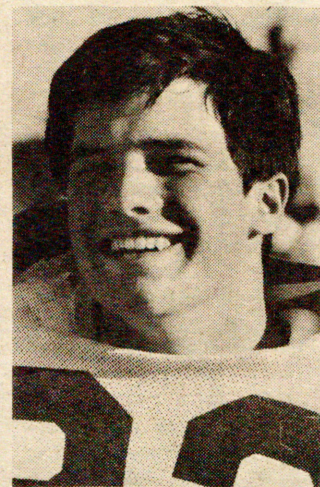

Nick Sadowski, tackle, will also see a lot of action

playing offense and defense, as will Mike Matichak at defensive end. Matichak was injured early in the season last year and hopes to make up some of that lost time during 1969.

Ken Roman, a 1968 letterman, will see double-duty as running back and defensive back.

Coach Gillespie is concerned over the lack of depth as he is regarding the defensive line. Despite these current problems he feels a strong aerial game will give the team a better record than the 6-3 record of 1968.

A record of 20 straight victories by the J.C.H.S. was broken last year in their fourth game of the season.

LEADING the Joliet Catholic High School football team for the season are co-captains P. Ward, at left, and M. Draznik, at right. (GRAPHIC Photos)

Mackey, unidentified player, J. Hertko, B. McKeon, unidentified Player, M. Mudron, N. Sadowaski and M. Matich. In middle row from left are an unidentified player, K. Hailey, unidentified player, T. Lemont Tromps Trojans In 2nd Half 22-0

BY RUSS SANDBERG
LEMONT -- The Lemont High varsity football team put it all together in the second half at Dwight last Friday evening, and as a result, edged an always pesky Trojan squad to the tune of 20-0.

It was a superb defense which kept us in the ball game during the first 2 periods of play against Dwight. Pass interceptions by Fred

Berndt and Dick Pierce gave Lemont good field position, but costly penalties, plus a lost fumble, thwarted these bids.

While the Indians were deep in Dwight territory on numerous occasions, the Trojans were never able to penetrate beyond Lemont's 42 yard line during the first 24 minutes of play.

Midway through the third stanza, middle guard Harry

Zarn gave us life when he recovered a loose ball on our own 36 yard marker. This was the turning point, for now the Lemont offense really came to life. Hard running John Schwer accounted for 9 yards in 2 sortties, and then quarterback Mike Hennebry picked up a first down on our 48.

Fast stepping Mark Sniegowski swept right to the Dwight 40. A pair of bursts

by Schwer and Sniegowski set us up on the Trojan 21 yard stripe.

Mike Hennebry took to the air and connected with flanker Pierce Spencer on the 3. Two bucks by John Schwer and we were on the scoreboard for the first

Lemont was on the move once again early in the fourth quarter, after a Dwight punt had rolled to a halt on their 40 yard line.

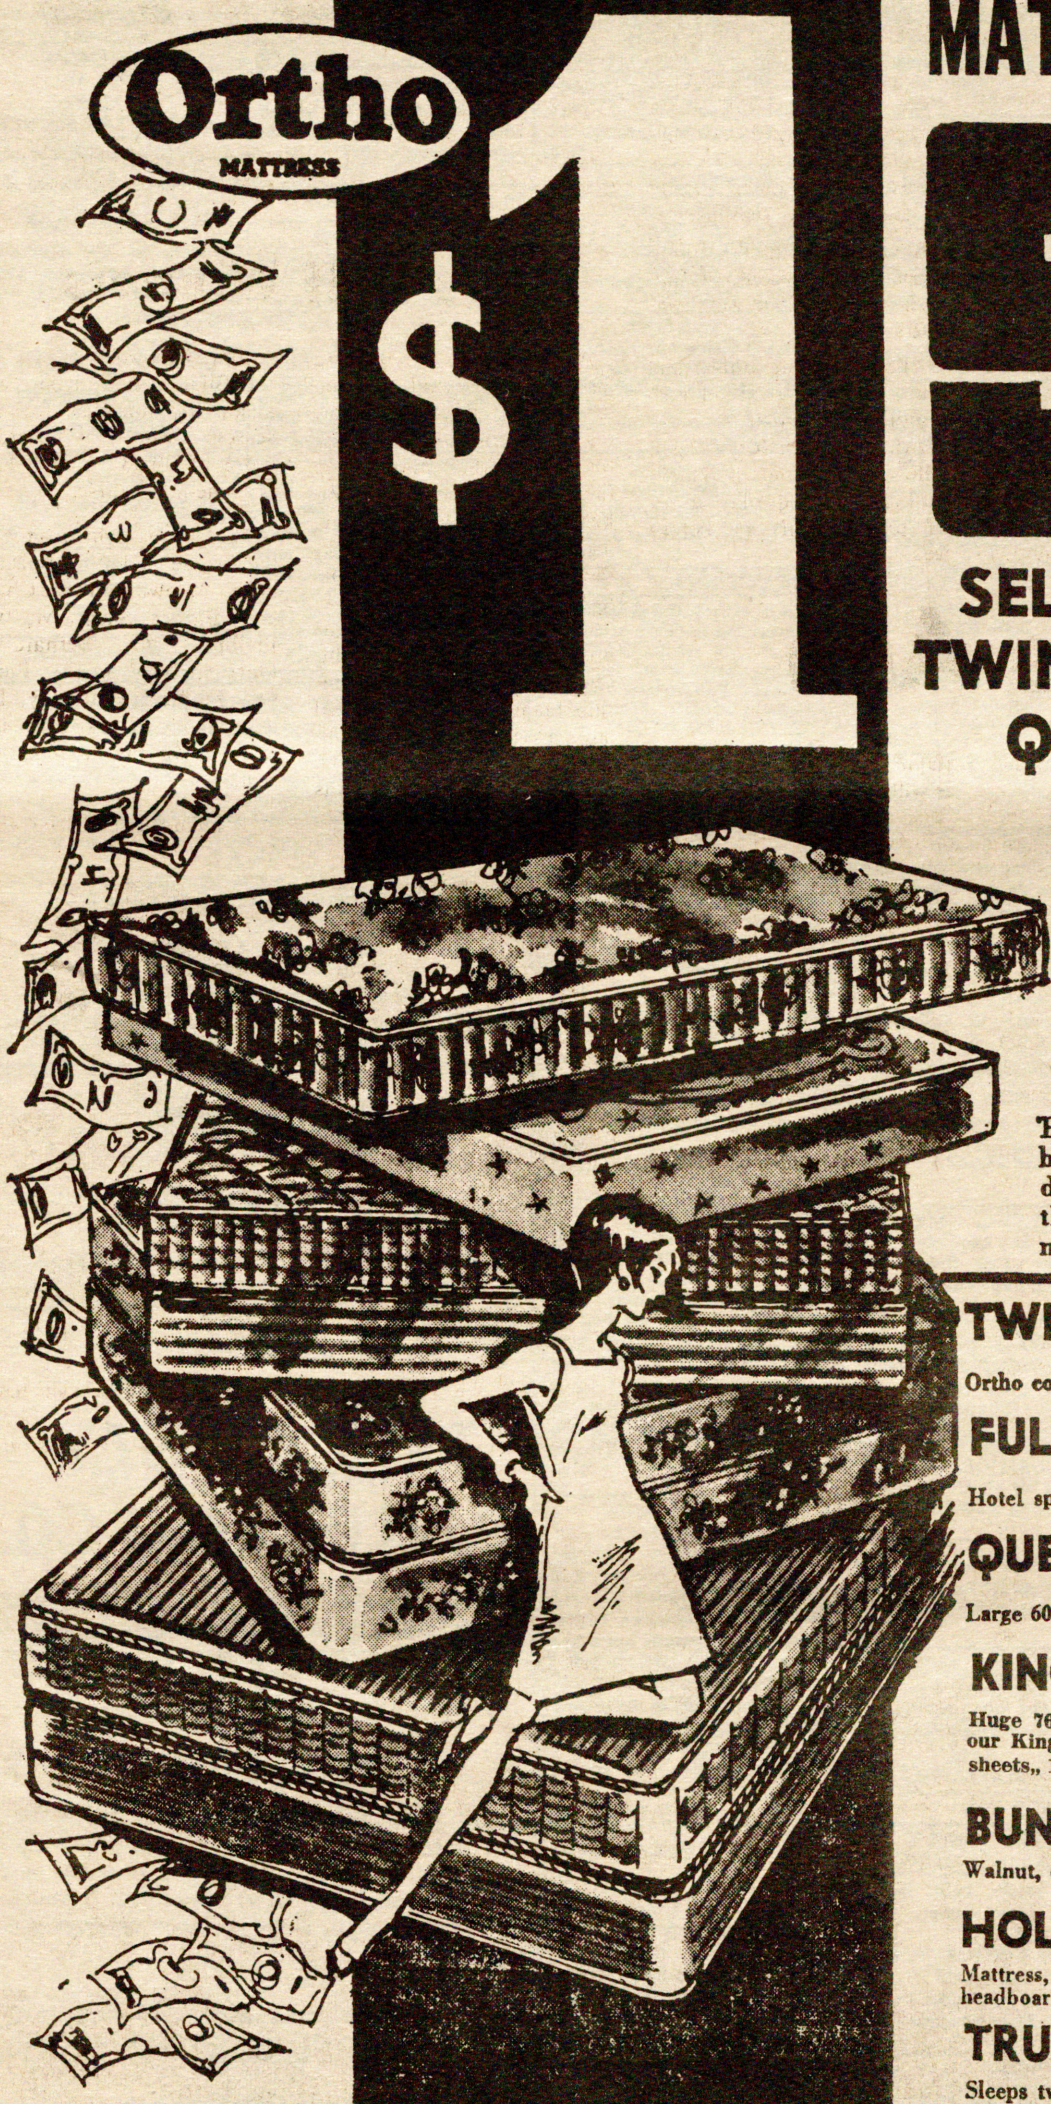

The Injuns had to overcome several penalties on this following bid, but the hard running of Sniegowski, Schwer and Ken Hutchinson, plus a 23 yard pass from Hennebry to lanky end Mike Heinz, set us up on the Dwight 6.

Schwer and Sniegowski ate up 5 yards in 2 cracks at the line. Hennebry then went straight ahead for the final big yard. Lemont now led

14-0 with 6:18 still remaining in the fourth period.

The final icing was added shortly thereafter when line-backer Steve Pociask picked off a desperation Trojan toss on the Dwight 27, and returned it to within 7 yards of touchdown territory.

From this point, all it took was 2 straight ahead thrusts by John Schwer to up the ante to 20-0.

CARD OF THANKS
KELM, SANDRA L.
It is impossible for us to ex-
press in words our heartfelt
thanks for the wonderful way
in which our relatives, friends
& neighbors came to our assist-
ance during the tragic death of
our beloved daughter, sister
and aunt to all of those who
sent masses, floral offerings,
spiritual bouquets & donations
of food & cars. Also for all
the sympathy cards. Thanks
again.

Round Table Is Meeting

LEMONT -- The Lemont Round Table Council will meet at 7:30 p.m., Monday, Sept. 29 at the village hall, 418 Main St., Lemont. All interested residents are invited to attend.

After three preliminary organizational meetings, a temporary executive committee was elected and authorized to set up the necessary procedure to get the council into operation.

The committee deemed that the most reasonable approach was to send a mailing to concerned organizations and institutions in the Lemont area, specifically within the boundaries of High School District 210. This mailing included by-laws, application for membership, and a memo stating two important

issues which will be included in the agenda for the Sept. 29 meeting.

Issues include information regarding the advisability of annexing into a junior college district. This decision will affect the tax structure of all the area residents. Also sent was a follow up report of the recent Hospital Fund Drive.

Additional pertinent or timely items may be added

to the agenda if such requests are submitted in writing prior to the meeting.

Any interested organizations or institutions that have not been contacted should

write to: Round Table Council, P.O. Box 10, or call Barry Moss, 257-2711, Robert Kuebler, 739-1406, or Sylvia Savage, 257-6337, for additional information.

editorial staffs of the school yearbook and newspaper.

Sean Murray has participated in cross country, basketball, golf, wrestling, football, student council, Human Relations Committee, editorial staff of the school newspaper, Letterman's Club, National Athletic

Scholarship Society, National Forensics League, Forensics Club, and class offices.

Marilyn Siebert has been active in Science Club, G.A.A., Future Teachers Association, National Honor Society, as a teachers aide, and has played in the Southwest Symphony Orchestra the past two seasons.

Lutheran Hour Has Birthday

LEMONT -- The Rev. Gilbert Schaller, pastor of St. Matthew's Lutheran Church, has reported that the 37th season of broadcasting for the Lutheran Hour is now underway.

The Lutheran Hour, sponsored by the Lutheran Layman's League, is the world's largest religious broadcast. Starting its 37th season, it will be broadcast over 1,500 radio stations. The goal of the international broadcast is "Bringing Christ to the Nations."

Y To Host Boys, Girls

SOUTHWEST -- A no charge open house visit is being offered this Saturday for boys and girls in third through sixth grades in the Southwest area.

Host is the Young Men Christian Association, 215 N. Ottawa St., Joliet. The YMCA is making the offer

about the Y. A parents' lounge will be provided.

Visits are scheduled according to school attendance by each child. Phone 726-5361 for details. Each child must bring his own gym clothing and shoes, bathing suit and towel. Swim caps are required for girls.

A complete, supervised program begins Sept. 27. Annual membership is \$18 per child.
